Forms/Supplies And State Product Approvals

Underwriting
The Graded Death Benefit products have been designed for customers who are in less-than-perfect health but who have a life expectancy of several years. The products are not suited to applicants with serious health or other risk issues or who have a limited life expectancy.

General Underwriting Information
1. The Proposed Insured must be a U.S. citizen or must hold permanent resident status (green card) and must reside in the United States.
2. All applications will be underwritten. In addition to the application questions we will routinely obtain MIB, Pharmacy and MVR data.
3. Although we anticipate that additional evidence will be rare, in addition to the routine telephone interviews (see age and amount requirements under the product) we reserve the right to request additional evidence of insurability on any case.

Business Written Across State Borders
In cases where an application is taken outside the applicant's state of residence it should be accompanied by an explanation as to why the sale was made in another state. If the explanation is in compliance with all state regulations and other laws, Fidelity Life will process the case. If not, the application will be rejected.

Foreign Travel
The factors that affect consideration of applicants who plan foreign travel can change very quickly. These guidelines are not a substitute for common sense. The current political, environmental, military, criminal and health factors for each country or area where travel is contemplated must be considered.

The following guidelines apply to U.S. citizens traveling abroad. Permanent Residents (green card holders) will be considered only if proposed travel is to A+ or A areas only.

Foreign Travel Defined
a. A single trip for vacation of 30 days or less.
   b. Business travel totaling not more than 90 days per year and not more than four weeks at a time.
   c. Longer periods of travel will be classified as Foreign Residence and will be reviewed.

Vacation
Travel to resort destinations is usually acceptable. The same holds true for cruise ships which have ports of call in areas of moderate concern.

Visits to family are not considered as true vacation travel and will be handled strictly in accordance with the area classification.

Foreign Nationals
The standard requirement for our business is that the Proposed Insured must be a U.S. citizen, living in the United States or a Permanent Resident (green card holder) living in the United States.

Temporary Residents
In general, applicants living in the United States on a basis of a visa cannot be considered.
