NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance policy number ______________________________ you have with _________________________________ Insurance Company and replace it with a policy to be issued by Guarantee Trust Life Insurance Company. Your new policy provides 10 days after receipt of the policy within which time you may decide whether you desire to keep the policy. For your information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

(1) Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.

(2) Even though some of your present health conditions may be covered under the new policy, these conditions may be subject to certain waiting periods under the new policy before coverage is effective.

(3) You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

(4) If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain that all questions on the application concerning your medical/health history (if any) are truthfully and completely answered. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed it should be carefully reviewed before being signed to be certain that all information has been properly recorded.

(5) New Policies may be issued at an older age than that used for issuance of your present policy; therefore, the cost of the new policy, depending upon the benefits, may be higher than you are paying for your present policy.

(6) The renewal provisions of the new policy should be reviewed so as to make sure of your rights to periodically renew your policy.
